### The Tribe of Benjamin- Sold Into Captivity By The Africans And The Arabs

The tribe of Benjamin (West Indies), along with Judah and Levi, were sold into captivity (by the Africans and the Arabs) to the white-man. The white man, then transported them in chains on slave ships to Jamaica, and various West Indian islands to serve hard bondage as slaves.

### Maroons

During slavery we had the "Maroons", The word Maroon is Latin meaning wolf, primarily through out the West Indies, which were runaway slaves that fled to the mountains and swamps of the islands. The white man could not subdue these men because they knew the land very well and could survive on their own; living off the land.

### GENESIS 35:18

*"And it came to pass, as her soul was in departing: (for she died) that she called his name Benoni: but his father called him Benjamin."*

Certain artists speak through their music of America being Babylon (Psalms 137 proves America is Babylon) and how it's going to fall (Revelation 18:19-21); that Christ, Solomon etc. are black according to the Bible, and also sing about themselves being Israelites. For example Luciano ("The white man's Kingdom is falling ..."), Dennis Brown ("The Black Revolution ..."), Peter Tosh ("Oppressor man where you gonna run to ..."), Burning Spear ("Do you remember the days of slavery ..."), Junior Reed ("The Lord is my Shepherd ..."). Anthony B ("Fire pan Rome ...") also "They (white-man) can't run away from the Judgement Day" and "By the rivers of Babylon ... " by various artists. Most reggae artists get their inspiration from the Bible; from books like Psalms and Revelation.
